

# Gregory Edward Gettings

102 Crooked Cedar Way, Pendleton, SC 29670 • Phone: (703) 300-5078 • E-Mail: ggettin@clemson.edu

## Objective

Seeking a software development opportunity to challenge my problem-solving skills in an environment that allows me to team up with other hard-working individuals to grow each other personally and professionally.

## Education

### Clemson University

Expected May 2017

Bachelor of Science in Computer Science  
Minor in Business Administration

## Technical Skills

**Programming Languages:** Proficient in C, C++, Java, Swift.

Familiar with HTML, CSS, PHP, SQL, Prolog, OCAML, ARM

**Development Tools:** Eclipse, IntelliJ, XCode, Git, Vim

**Operating Systems:** MacOS, Windows, Linux

**Software Packages:** Microsoft Office, Apple iWork

## Selected Project: Step-by-Step

Fall 2016

Built an iOS app to assist cognitively disabled students with completing everyday tasks.

**Functionality:** Loads tasks for a student from a database and presents its steps as a series of pictures and audio or a video. Includes a web-based authoring tool for administrators to create and manage tasks and steps for students.

**Responsibilities:** Design app layout, implement general functionality, create authoring tool, and communicate with client on progress and expectations.

## Work Experience

### Ingles Markets (Clemson, SC)

Summer 2014

Deli Clerk

- Worked with co-workers to meet the demands of customers in a fast-paced environment
